We imagine futures and empower people to create them. We are G70.

In the past 46 years, G70 has grown into a thriving, sustainable, forward-thinking, multi-disciplinary firm specializing in the art of **creating**. We are thought leaders, technologists, cultural practitioners, visualizers, and members of the community dedicated to the design and planning of innovative and community focused places.

We are currently looking for an INTERIOR DESIGNER to join our team.

In this role, a typical day may involve:

- Communicating with clients on design intent and progress
- Programming and space planning
- Working alongside architects, engineers, consultants and other team members to find the best design solution to meet the client's needs
- Development of color and materials palette
- Preparing and reviewing construction documents
- Keeping up to date with products by attending manufacturer representative meetings

YOU'VE GOT...

- A Bachelor's Degree in Interior Design or Interior Architecture
- At least five years of practical work experience in the field
- Proficiency in using the following software programs – AutoCAD, Revit, Microsoft Office, Adobe Photoshop, and Adobe InDesign

BUT ARE YOU ALSO...

- Keen on **details**? Do you have a skilled eye to notice when something is out of place, missing or incorrect?
- Able to **multitask**? Are you **organized** and able to manage multiple deadlines and project teams?
- **Open-minded** to work collaboratively with others and welcome others' ideas?
- **Driven** and motivated to excel in your work?
- Able to effectively **communicate** your ideas to others, both verbally and visually?

If so, *we want to hear from you.*
